

Registering multiple students' access codes for Pearson Baccalaureate eTexts

We would advise you to register all of your students' access codes in year 1 and keep control of the access code details. Please follow these instructions:

1. Go to: www.pearsonbacc.com/etextregister
2. Select "Register"
3. Accept the Terms and Conditions

Then you are taken to this screen:

The screenshot shows a web browser window with the URL <https://register.pearsoncmg.com/reg/register/reg1.jsp>. The page is titled "Steps to Register" and has three tabs: "Access Information" (selected), "Account Information", and "Confirmation & Summary". The "Access Information" section contains the following fields and instructions:

- Do you have a Pearson Education account?**
 - Yes
 - No
- * Create a Login Name**
 - Field: Student1@yourschoolname
 - Check Availability button
 - Instruction: Create a login name and password. Choose something that is easy to remember.
 - Footnote: It is recommended that you use your email address. It must be at least four characters. [See acceptable characters.](#)
- * Create a Password**
 - Field: Password
 - Strength: Good
 - Instruction: Your password cannot be the same as your login name.
 - Footnote: Create a password. It must be at least 8 characters with at least one letter and one number. [See acceptable characters.](#)
- * Re-type your Password**
 - Field: Password
- Not sure if you have an account?**
- Access Code**
 - Field: Enter your access code.
 - Access Code field: [ISSCMS] - [GUESS] - [ASDIC] - [MINNA] - [HIGHS] - [CHEWA]
 - Example: SIMPLE-FRILL-TONLE-WEIRS-CHOIR-FLEES
 - Switch to a single box for pasting your access code

4. Answer "No" to the question "Do you have a Pearson Education Account?"
5. Create a unique generic login name, such as "Student1@yourschoolname"
6. Create a unique generic password, such as "Password1"
7. Enter the unique access code from the access card/inside front cover of the printed textbook into the "Access Code" field.

Then you will be taken to this screen:

8. Enter your own details under "personal information", including your own email address.
